RESIDENTIAL LEASE AGREEMENT (SAMPLE - FICTIONAL)

Premises: 12 Example Street, Unit 2, Amherst, MA 01002.
The Premises consist of five bedrooms on the second and third floors,
plus a finished attic room that Tenants may use as a sixth bedroom.
Heat: Tenants pay for heat. The building is heated by an oil boiler.
Landlord provides two electric space heaters for the attic room.
Tenants shall not tamper with, remove, or disable smoke detectors.
Tenants are responsible for replacing smoke detector batteries.
Access to the rear stairway is through the first-floor unit.
Tenants may store bicycles in the rear hallway.
Electrical service is original to the building. Use of extension cords is permitted.
